

Commodores Corner - December 2025

Holiday greetings Yacht Club Mateys !

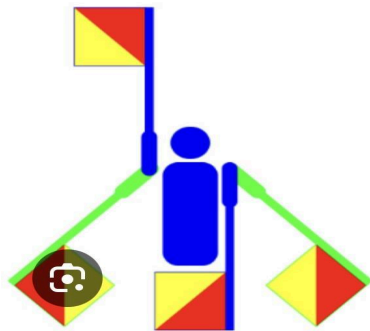

We had a wonderful Holiday Party at Haven on Dec. 6, sorry if you missed the celebratory fun and delicious dinner with music by Hawk Arps on his vibraphone. We introduced and recognized our club chairpersons and new officers, see photos on our website. This year's Spirit Award for outstanding volunteerism and commitment to our club went to Lane Langford, a past Commodore and current treasurer. A copy of his Certificate of Appreciation presented to him is posted on our website.

Now for my "Message in a Bottle":

Hey mariners, can you guess what this is?

Semaphore flag signals are commonly used for communication at sea, and are still in use by the U.S. Navy today.

The modern peace sign originates from flag semaphore letters "N" (2 flags down at 45 degree angle) and "D" (1 flag straight up and 1 flag straight down) and first used for the British Campaign for Nuclear Disarmament in 1958.

Soon after in the 1960s it was adopted by the anti-war movement in the U.S. and has become a worldwide symbol for peace and harmony.

This is my message and wish for the Holiday Season:

"PEACE"

See you all at our next club meeting January 15, 2026

I know I speak for the entire Bridge wishing you a Very Happy New Year!!

Your Commodore,
Suzi Jennings
