

## *"In Memoriam"*

At year's end, the Yacht Club would like to recognize those members who have passed away and to share our deep condolences.

### **Joyce "J" Loewan (February 26, 1957- October 30, 2025)**

Joyce, beloved wife of John Zaborsky, passed peacefully at home in Morgan Hill, California, surrounded by her family and her dog, Ziva. Joyce loved spending time on Lopez where she found peace in wildlife, the water, laughter with good friends, her card playing girls and the Giants baseball team (she never missed spring training for 28 years). She filled her life with joy, animals, horses, music and people that mattered most to her.

**Ian Lange (September 11, 1940 - September 25, 2025)**

Ian, a long time Yacht Club member, passed away in Missoula, Montana. He is survived by his beloved wife, JoAnn and many nieces and nephews.

Ian had a distinguished career as a professor of Geology at the University of Montana. He attended Dartmouth College and the University of Washington where attained his PhD. He and JoAnn were avid travelers with adventures around the world and spent summers on Lopez, sailing and kayaking. Ian was very involved with the Lopez community, member of the golf club and Lions Club, where he drove his antique cars in the July 4th parade every year. He also donated to the building of the Thrift Shop. He is remembered well for his zany sense of humor, ready to help others and as a master gardener.
