

Ahoy Maties! We have a Terrific Educational Opportunity this Month at our November 13th Membership Meeting!! Don't Miss It!
AMERICA'S BOATING CLUB of the San Juan Islands
aka the "FRIDAY HARBOR POWER SQUADRON"

Join us at our next Lopez Island Yacht Club member meeting

When: Thursday November 13

Social hour at 5:00pm

Dinner at 6:15pm

Program at 7:00pm

We welcome the Friday Harbor Power Squadron, our local chapter of America's Boating Club in the San Juans. Chris Reed, commander and Ann Einboden, education officer who is known by many of us, will present a program about the Power Squadron and its many benefits. They are a non-profit volunteer organization that promotes skillful boating through education classes and seminars, such as boathandling and safety. Classes are presented in person and on zoom.

They also offer a Vessel Safety Check program. Every spring our club coordinates with the Power Squadron for boat inspections.

As we get close to pulling out and winterizing our boats, time to consider brushing up on boat safety and/or signing up for refresher courses over the winter! Hope to see you there!

Also check out the Squadron's website: abcsji.org
