Social Hour at 5:30pm

Dinner at 6:30pm

Program at 7:00pm

Our program will be led by Lopezians Tam Paynter and Justin Jones. Catchy rhythms, easy to sing, and storytelling, What's not to love? Call and response style, repetitive choruses will make participating a breeze. Get ready to belt out a few sea songs and sea shanties. With a touch of maritime history, the evening should leave you humming and yearning to return to the sea! All lyrics will be provided and viewed on our screen.

Justin is a sailor, musician and when he can be dragged away from those activities, a lawyer. Tam is an amateur singer and concertina player who retired from the Smithsonian Institution.

And for the difference between sea songs and sea shanties? Come to the meeting to find out !  
So sailors ahoy, bring on your singing voices !!
